

MATH 182 Section_____ QUIZ I. Due:1/31/12 NAME:
These problems are to be done individually; no consultation with others is permitted.
Write in the space provided. Use the reverse side if you need more room.

Write clearly and neatly. Write a paragraph or two for each question. Each question is worth 15 points.

1. Who are you? Among other things, what are the last couple of math courses you have had and what grades did you get? How do you feel about math and your ability thereat?

2. What do you want? I. e., why are you taking this class and how does it fit into your plans for your life?
