

Call for Student Posters
for the
2010 Mathematical Association of America
Northern California, Nevada, and Hawaii Section Meeting

When: Saturday, February 27, 2010

Where: University of San Francisco, San Francisco, California

What: Presentations of research, new approaches to old problems, solutions to problems from mathematics journals, results of class projects or mathematical modeling contests, historical investigations in pure and applied mathematics, mathematical topics outside the standard curriculum, or mathematical investigations arising from internship experiences

Who: All undergraduate and graduate mathematics students

Why: The meeting provides a great opportunity to learn about interesting and entertaining areas of mathematics as well as to network with other students and professors. Student presenters receive **complimentary registration and Saturday luncheon**, plus a **free one-year membership to the MAA** or (to those who are already members) a **free book**.

Details: All student posters should be typed, illustrated, and displayed on a poster board that is 3 feet high and 4 feet wide. Posters will be on view throughout the meeting, including during a scheduled poster session.

What to do: If you wish to participate or have any questions (*e.g.*, whether your idea is appropriate for presentation, what size font to use on your poster, or where to get the best burger in San Francisco), contact Dr. Julie Glass at the address below. Submit your name and abstract **by e-mail** (2 to 5 sentences), including **name(s) of presenters, poster title, name of institution**, and **name of faculty advisor(s)** (if applicable), to Dr. Glass by Friday, February 19, 2010.
