We have the first exam on Tuesday, September 28. The best preparation for the exam is to:

1. Do the exercises I assigned for the homeworks
2. Do the exercises I used in class as examples
3. Do the following exercises from the SoA exams:

(http://www.soa.org/education/exam-req/syllabus-study-materials/edu-multiple-choice-exam.aspx)

Course 1 May 2000: 1, 33, 36
Course 1 Nov 2000: 22, 30
Course 1 May 2001: 6, 9, 12, 23, 39, 40
Course 1 Nov 2001: 1, 4, 17, 32
Course 1 May 2003: 1, 5, 18, 22, 25, 34, 37

For the exam I will chose problems (identical or very similar) from this list (homeworks, class examples, and SoA exams above). The SoA exams have solutions online.

I posted a formula sheet you may bring for the exam on the course web page. Hope this helps you with studying for the exam.
Cheers, AP
