Andrey seems to be doing a fine job with this section. He gave out copies of the worksheets to students who did not have them and they got right down to work. He
If one or more aspects of the TA's teaching is not satisfactory, give details below. This will indicate there are problems serious enough to require follow-up by the TA coordinator or Lead TA. If you merely intend that the TA work on self-improvement of one or two points, please list your suggestions below but give a summary evaluation of "satisfactory".

Question:
Suggestions for improvement
(recommendations may be included in the report above, or detailed separately here).

None.

Question:
More serious problems that need immediate attention:

No response.

was responsive to questions and seemed to have a good relationship with the students.
